Marnie Greenberg

Founder and CEO of Marnie Greenberg LLC

Co-creator of the universally acclaimed Yuen Method, and co-author of the international best-selling book, *Delete Stress and Pain on the Spot*, Greenberg is a globally known insightful life strategist, speaker, business consultant, and entrepreneur, with more than 20 years of experience in healing and natural medicine.

She lectures and leads live seminars and events internationally and has presented at sold-out venues throughout the United States, Spain, and Germany. She has personally consulted Fortune 500 executives, celebrities, movie stars, professional athletes, world champion martial artists, music legends, and individuals from all walks of life. Marnie has successfully deleted chronic pain, illness, and stress in live demonstrations, on television and radio shows, and on her online events for millions of people worldwide. She has also effectively trained thousands of others to do the same.

In the wellness industry, people are accustomed to gradual results and improvements, not an on-the-spot game-changing experience. Surprisingly, sometimes we just need a quick reboot! Marnie built her online business to teach people how to turn weaknesses into strengths. Her own life was saved by the very method she teaches.

“My personal mission is to enrich the quality of people’s lives by helping them find the specific answers within themselves that will instantly resolve their difficulties,” says Marnie. Enabling and empowering others with the ability to locate and delete the specific unknown weaknesses that are silently sabotaging their well-being allows people to instantly resolve any life problem.

Having a passion for philanthropic endeavors, she has partnered with the non-profit group, Safety Harbor Kids, in enriching the lives of disadvantaged parentless and homeless children in numerous special events including the Malibu Charity Polo fundraiser, a Jackson Browne benefit concert, and raising funds for their Spirit of Goodwill Challenges. As a powerful female Kung Fu Grandmaster, Marnie is the primary sponsor of Dragonfest, the world’s largest martial arts event, which raises funds for the martial arts museum and enables the global martial arts community to continue to thrive!
